Hmm? What
happened to
my hood,
you ask?

You'll know if
you've read
the previous
book!

Hello! I'm
Little Red
Riding Hood!

I'm waiting to see
if a rabbit will
come running past.

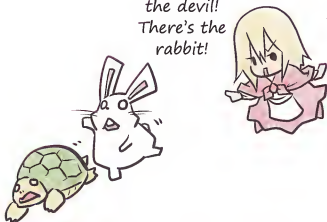

Call me Alice
just for now!

Speak of
the devil!
There's the
rabbit!

Ooh-!

I won't!! I betted
ten thousand
bucks that I'd
win this race!

Wait up!

Huff... puff...

Oof!!

I got you-!

How cruel... I was
racing with the
tortoise, you know.
Argh... I'll never
catch up now..

Hey Mister Rabbit!
What are you doing!?

...Huh? I
wonder
why.

?

...Why were you
two racing?

Eeehh!!

You should've
caught that
tortoise
instead, then...

Great, take
me to the
Dragon God's
Palace!!

You're free too,
right, Mister
Rabbit?

009

Well then,
that's fine too!

Bring me to
Wonderland!!

When you have Alice
and a rabbit together,
isn't the destination
usually Wonderland?

A hole, I see!
I wonder if
there's a hole
somewhere!

Wonderland's the
place where Alice
ends up after falling
through a hole, isn't it?

I think that's
the wrong
method to
go about
doing it.

Hole~!
Where are you~!
Appear!
I want to enter
a hole if there's one!

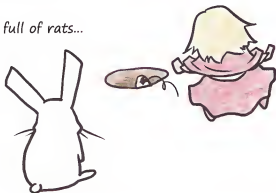

It doesn't seem
like it connects
to Wonderland...

Let's enter
this hole,
Mister Rabbit!

A hole!!

I'll bet it's full of rats...

That last
statement
was pushing
it... Ow ow!!

Even so, a
place full of
rats is a dream
world in itself!

012

Aahhhh!

Just go!

What should
I do? Should
I go back?

Oooohh..
it's really
deep...

013

Here I go!

Nope, I
guess I'll
try
entering it!
